The Nebo Showgrounds Master Plan is all about safeguarding the future of this vital hub for community and industry, ensuring it remains a cornerstone of regional life.

From hosting Australia's largest one-day rodeo, the Nebo Rodeo, to supporting agriculture, these showgrounds play a pivotal role in the social and economic fabric of regional Australia.

To keep pace with modern standards, the showgrounds need significant upgrades and expansions, and we're calling on the community and stakeholders to help realise this vision.

With its prime location and a \$2.16 million local economic impact, the Nebo Showgrounds has immense potential to attract more activities and visitors, benefiting the Mackay, Isaac, and Whitsunday regions.
