

Dysart Urban Design Framework

A Strategic Vision for Dysart's Future

March 2012

Acknowledgements

The core project team included Jessica Dix and Gail Hite from Isaac Regional Council, the Dysart Urban Design Framework Project Reference Group, David Gregory from JPE Design Studio, Warwick Keates and Matthew Baida from WAX Design.

A special thanks is extended to all the members of the Dysart community who took part in the Dysart UDF Community Surveys, workshops and drop in sessions that have guided the direction of the Project and the vision for Dysart's future.

This report acknowledges the support of the Isaac Regional Council and Billiton Mitsubishi Alliance (BMA), as funding partners for the project.
