## 6. THE PROPOSED TRAILS (continued)

## A. Peak Ranges and Convenient **Outback Experience Trail**

The Peak Range is a chain of prominent, bronze and picturesque mountains between Moranbah, Clermont and Dysart. The sharp peaks are visible from a considerable distance across the flat country plains and provide spectacular views and are one of Isaac region's most iconic experiences. Hike on defined walking trails with good signage and amenities, perhaps take a guided tour or camp nearby. If you want more 'convenient outback', take in an event or rodeo at Nebo or visit Mount Britton.

## i. PROPOSED ROUTE

The Peak Ranges and Convenient Outback Experience Trail is proposed to be both a driving and walking/hiking experience, as the trail itself captures a large portion of key natural attractions within the Peak Range National Park, with a number of sites currently accessible by self guided walks and hikes.

To complete this route, travellers will need access to a vehicle, and whilst the starting point of the proposed trail is interchangeable, we would propose that the route takes the following track:

Start the route in Moranbah. A key access location to the Isaac region, with a fully serviced regional airport;

Travel to Gemini Peaks for a half day or full day of walking/hiking. The Gemini Peaks are an approximate 59 kilometre drive from Moranbah;

Overnight either in Moranbah, or in Clermont. Clermont is 123 kilometres away from Moranbah;

Travel to Wolfang Peak for a half day or full day of walking/hiking. Wolfang Peak is approximately 70 kilometres from Moranbah, and 53 kilometres from Clermont;

Overnight in Clermont;

Travel from Clermont to Moranbah, via Dysart. This drive is approximately 170 kilometres long.

There are numerous other experiences on offer along this proposed trail, outside of the Peak Range National Park assets mentioned above. These are detailed in the Tourism Product Audit below.
