## INFORMATION NOTICE

**Authority and Reasons for Charge** This Infrastructure Charges Notice has been given in accordance with section 635 of the *Sustainable Planning Act 2009* to support the Local government's long-term infrastructure planning and financial sustainability.

**Appeals** Pursuant to section 478 of the *Sustainable Planning Act 2009* a person may appeal an Infrastructure Charges Notice. Attached is an extract from the *Sustainable Planning Act 2009* that details your appeal rights.

**Automatic Increase Provision of charge rate (\$)** An infrastructure charge levied by Council is to be increased by the difference between the Producer Price Index (PPI) applicable at the time the infrastructure charge was levied, and PPI Index applicable at the time of payment of the levied charge, adjusted by reference to the 3-yearly PPI Index average<sup>1</sup>. If the levied charge is increased using the method described above, the charge payable is the amount equal to the sum of the charge as levied and the amount of the increase.

However, the sum of the charge as levied and the amount of the increase is not to exceed the maximum adopted charge the Council could have levied for the development at the time the charge is paid.

**GST** The Federal Government has determined that contributions made by developers to Government for infrastructure and services under the *Sustainable Planning Act 2009* are GST exempt.

**To whom the charge must be paid** Payment of the Charge must be made payable to ISAAC REGIONAL COUNCIL, PO Box 97, Moranbah QLD 4744.

The Infrastructure Charge has been calculated in accordance with the charges stated in Council's Charges Resolution. This notice will be escalated to time of payment to the extent permitted under legislation in force at that time.

It is requested that you contact Council's Liveability and Sustainability Department to confirm that amount payable prior to making payment.

**Payment** This notice is due and payable by the due time shown. Cheques, money orders or postal notes should be made payable to ISAAC

---

<sup>1</sup> 3-yearly PPI index average is defined in section 631 of the *Sustainable Planning Act 2009* and means the PPI index smoothed in accordance with the 3-year moving average quarterly percentage change between quarters. PPI Index is the producer price index for construction 6427.0 (ABS PPI) index number 3101 – Road and Bridge construction index for Queensland published by the Australian Bureau of Statistics.

# Sustainable Planning Act – Appeals Information

## Chapter 7: Part 1 Planning and Environment Court

### Division 8 – Appeals to court relating to development applications

#### **461 Appeals by applicants**

- (1) An applicant for a development application may appeal to the court against any of the following –
  - (a) the refusal, or the refusal in part, of the development application;
  - (b) any condition of a development approval, another matter stated in a development approval and the identification or inclusion of a code under section 242 [Preliminary approval may affect a local planning instrument];
  - (c) the decision to give a preliminary approval when a development permit was applied for;
  - (d) the length of a period mentioned in section 341 [When approval lapses if development not started];
  - (e) a deemed refusal of the development application.
- (2) An appeal under subsection (1)(a), (b), (c), or (d) must be started within 20 business days (the **applicant's appeal period**) after-
  - (a) if a decision notice or negotiated decision notice is given-the day the decision notice or negotiated decision notice is given to the applicant; or
  - (b) otherwise-the day a decision notice was required to be given to the applicant.
- (3) An appeal under subsection (1)(e) may be started at any time after the last day a decision on the matter should have been made.

#### **462 Appeals by submitters – General**

- (1) A submitter for a development application may appeal to the court only against-
  - (a) the part of the approval relating to the assessment manager's decision about any part of the application requiring impact assessment under section 314 [Impact assessment – generally]; or
  - (b) the part of the approval relating to the assessment manager's decision under section 327 [Decision if application under s242 requires assessment]
- (2) To the extent an appeal may be made under subsection (1), the appeal may be against 1 or more of the following-
  - (a) the giving of a development approval;
  - (b) any provision of the approval including-
    - (i) a condition of, or lack of condition for, the approval; or
    - (ii) the length of a period mentioned in section 341 [When approval lapses if development not started] for the approval.
- (3) However, a submitter may not appeal if the submitter-
  - (a) withdraws the submission before the application is decided; or
  - (b) has given the assessment manager a notice under section 339(1)(b)(ii) [When an approval takes effect]

- (4) The appeal must be started within 20 business days (the **submitter's appeal period**) after the decision notice or negotiated decision notice is given to the submitter.

#### **463 Additional and extended appeal rights for submitters for particular development applications**

- (1) This section applies to a development application to which chapter 9, part 7 [Notification stage for particular aquaculture development] applies.
- (2) A submitter of a properly made submission for the application may appeal to the court about a referral agency's response made by a prescribed concurrence agency for the application.
- (3) However, the submitter may only appeal against a referral agency's response to the extent it relates to-
  - (a) if the prescribed concurrence agency is the chief executive (environment)—development for an aquacultural ERA; or
  - (b) if the prescribed concurrence agency is the chief executive (fisheries)—development that is—
    - (i) a material change of use of premises for aquaculture; or
    - (ii) operational work that is the removal, damage or destruction of a marine plant.
- (4) Despite section 462(1), the submitter may appeal against the following matters for the application even if the matters relate to code assessment-
  - (a) a decision about a matter mentioned in section 462(2) if it is a decision of the chief executive (fisheries);
  - (b) a referral agency's response mentioned in subsection (2)

#### **464 Appeals by advice agency submitters**

- (1) Subsection (2) applies if an advice agency, in its response for an application, told the assessment manager to treat the response as a properly made submission.
- (2) The advice agency may, within the limits of its jurisdiction, appeal to the court about-
  - (a) any part of the approval relating to the assessment manager's decision about any part of the application requiring impact assessment under section 314 [Impact assessment – generally]; or
  - (b) any part of the approval relating to the assessment manager's decision under section 327 [Decision if application under s242 requires assessment].
- (3) The appeal must be started within 20 business days after the day the decision notice or negotiated decision notice is given to the advice agency as a submitter.
- (4) However, if the advice agency has given the assessment manager a notice under section 339(1)(b)(ii) [When approval takes effect], the advice agency may not appeal the decision.

#### **465 Appeals about decisions relating to extensions for approvals**

- (1) For a development approval given for a development application, a person to whom a notice is given under section 389, other than a notice for a decision under section 386(2), may appeal to the court against the decision in the notice.
- (2) The appeal must be started within 20 business days after the day the notice of the decision is given to the person.
