## CONDITIONS OF USE

Isaac Regional Council advises the following conditions apply to the use of Council's Truck Fill Point facilities:

There is no fee for this Application. Customers applying for access to Truck Fill Points without Fob Key access will be notified by the Water and Waste Directorate of the approval of their application. Please allow 10 working days for approval. Council's current Fees and Charges can be located at <https://www.isaac.qld.gov.au> for Potable Water, Raw Water and Recycled Water.

If you require Fob Key access, please ensure you read the following information.

**NOTE: Losing or damaging your issued FOB KEY will incur a cost which is also on the current IRC fees and charges.**

Applicant will be invoiced monthly for their purchase of water from Council Truck fill points. Payment must be made within 30 days from date of invoice, if account is not paid within 60 days, Council reserves the right to deactivate FOB KEYS or refuse access. Council reserves the right to make reasonable changes to its fees, billing structure and processes.

It is recommended that applicants requiring recycled water read "Manual for Recycled Water Agreements in Queensland", available from the Queensland State Government on <http://www.resources.qld.gov.au>

Recycled Water Applicants will also need to read the Recycled Water Safety Data Sheet (SDS) available from Water & Waste Business Services Department 1300 ISAACS (1300 472 227) or email [WaterandWastewaterEnquiries@isaac.qld.gov.au](mailto:WaterandWastewaterEnquiries@isaac.qld.gov.au)

**NOTE: It is the responsibility of the applicant to provide appropriate fittings and hoses to connect to the systems. It also the applicant's responsibility to use the recycled water in an appropriate manner. Failure to do so may prevent access to recycled water.**

## COSTS

Cost per FOB KEY – as per IRC's Fees and Charges (non-refundable).

*NOTE: Accounts will show the tag number of the key(s) used to operate the water point(s), date and time of usage, kilolitres (assuming that flow meter is installed and operating correctly), and usage charge.*
