

## GUIDELINE – WATER CONSERVATION MEASURES

Isaac Regional Council (Council) supports and commits to water saving measures being implemented wherever feasible in residential, commercial and Council properties and facilities. Council actively encourages the use of water saving devices, measures and activities that support water sustainability. Although not enforceable, these Water Conservation Measures are in place all year round and all water users are encouraged to comply with them.

<b>WATERING DAYS</b>	<p>Shall mean the designated days of water use allowable per property, as follows:</p> <ul style="list-style-type: none"> <li>• Properties with an odd street number may water on Wednesday, Friday and Sunday.</li> <li>• Properties with an even street number may water on Tuesday, Thursday and Saturday.</li> <li>• Properties without a Council prescribed street number may water on Wednesday, Friday and Sunday.</li> </ul>
<b>WATERING TIMES</b>	No watering between 9am – 5pm daily.
<b>SPRINKLERS</b>	No fixed sprinklers, micro-spray, drip irrigation systems or unattended hoses between 9am – 5pm daily.
<b>PRIVATE GARDENS, LAWNS AND NEW TURF INCLUDING SPORTS GROUNDS AND ACTIVE PLAYING SURFACES</b>	No watering between 9am – 5pm daily. Watering permitted outside of these times on designated watering days with a sprinkler, handheld trigger or twist nozzle hose, irrigation system, watering can or bucket.
<b>VEHICLES AND BOATS</b>	Private cars, trucks, boats and motors to be cleaned on grassed areas where possible, using a handheld trigger or twist nozzle hose to initially wet or rinse. To wash, a high-pressure low-volume water blaster, watering can, bucket or commercial car wash facility may be used. Outboard motors may be flushed clean after use.
<b>GUTTERS</b>	Gutters should not be cleaned by using a hand-held hose.
<b>DRIVEWAYS, PAVED AREAS OR EXTERNAL WALLS AND WINDOWS</b>	Driveways, paved areas, external walls and windows are not to be hosed down unless using a handheld trigger or twist nozzle hose, high pressure low-volume water blaster, watering can, bucket or mop unless cleaning is required as a result of accidents, removal of algae growth or moss or prior to painting.
