|             |                                                                                                               |
|-------------|---------------------------------------------------------------------------------------------------------------|
| OUR VISION: | Helping to energise the world.<br>A region that feeds, powers and builds communities, now and for the future. |
| OUR GOAL:   | To pursue long-term sustainable futures for Isaac's communities.                                              |
| OUR VALUES: | Community Focus<br>Teamwork<br>Caring<br>Positive Work Ethic                                                  |

We're a region unique in charm and a character-growing attraction for many keen to explore the road less travelled. It's a place where traditional country qualities live on within modern, vibrant communities.

Isaac Regional Council plays a role to ensure our communities have a long sustainable life, so it continues to be a great place to raise a family and to find new or old passions.

Our public spaces are valued and activated, our communities' lifestyles and wellbeing are prioritised, and our individual and collective identities are celebrated.

We need to use new ideas in everything we do because of the fast changes happening all over the world.

This helps us deal with changes and provide the best service. As a Council, we will continue to maintain a clear and balanced vision for the future that shapes all our decisions as we feed, build and power communities.

## DEPARTMENT SUMMARY:

The Infrastructure Department ensures an integrated approach to internal organisational services across the organisation. This Department is responsible for the management of construction, operational maintenance and capital road and drainage civil infrastructure projects across the Isaac Region.

## POSITION SUMMARY:

The MR Truck Driver position provides assistance with coordination, integration and delivery of services and the construction, maintenance and operational delivery of programs relating to roads, buildings and drainage.

## DUTIES:

### Position Accountabilities and Performance Objectives

1. Operate trucks, plant and equipment for construction, maintenance and urban services.
2. Undertake labouring duties as required.
3. Undertake any other duties and responsibilities as reasonably directed within the limits of the employee's skills, competence and training.

## KEY COMPETENCIES:

### Essential Knowledge and Skills

1. Relevant certification for the operation of vehicle, plant and equipment specific to the role.
2. Knowledge and experience in basic mechanics and general maintenance is required.
3. Clean driving record is required.

### Experience

1. Minimum 12 months experience is essential.

### Qualifications

**Mandatory** – this role requires the possession of:

1. Construction White Card (Construction Industry).
2. C Class Open Australian Drivers Licence.
3. The ability to pass a pre-employment functional assessment and/or behavioural testing.
4. Relevant certification for the operation of other vehicles, plant and equipment specific to the role.

### Desirable

1. Traffic Control and Traffic Management Implementation tickets.
2. The possession of a current HR/MC/HC Class Open Australian Drivers Licence.

## DELEGATED AUTHORITY AND ACCOUNTABILITY:

Delegations as detailed in Council's Delegation of Authority register.

## EXTENT OF AUTHORITY:

Position exercises a degree of autonomy and works under general direction with the freedom to act within established policies practices. The position must understand that their powers are limited to their delegated authority and know and comply with any authority and obligation that comes with their powers.

## CERTIFICATION:

The details contained in this document are an accurate statement of the duties, responsibilities and other requirements of the position.
