

# REGISTRATION OF DOG/ADOPTION AGREEMENT

## Registration and Renewal

Registration of your dog is mandatory under the *Animal Management (Cats and Dogs) Act 2008*. The registration period is from 1 September to 31 August. Prorata discounts apply to new registrations only. A renewal will be issued annually. Failure to register or renew the registration is an offence under the Act.

## Puppy Registration

If you own a dog that is between 12 weeks and 12 months of age, you are eligible for free registration provided that your dog has been microchipped. You will receive a renewal notice the following year.

## Reciprocal Registration

You are eligible to transfer the balance of registration to Isaac Regional Council from another Local Government area. You will need to attach documentary proof from the previous Council indicating the registration is current. No registration fee is payable until a registration renewal notice is issued by Isaac Regional Council.

## Adoption

Isaac Regional Council's Animal Management Centre's dogs are in need of a loving home. If you are adopting a dog, you will need to pay an adoption fee. If they aren't already, any dogs adopted and united with new owners will be checked for heartworm, microchipped and desexed at Council's expense.

## Pensioner, Veteran and Senior Concessions

If you hold a valid and current Centrelink Pensioner Concession Card or a Veteran Affairs Card, you are entitled to a 50% concession on registration fees. If your dog has been both desexed and microchipped, you are entitled to free registration, although your registration must still be renewed annually. If you hold a valid and current Seniors Card, you are entitled to a 50% fee concession only if your dog is both desexed and microchipped.

## Assistance Dogs

Guide, Hearing and Assistance dogs are entitled to free registration if they comply with the *Guide, Hearing and Assistance Dogs Act 2009*. You will still be required to register your dog and renew/update your info annually.

## Canine Control Council of Queensland

You are entitled to a 50% concession fee if you are a member of the Canine Control Council of Queensland (also known as Dogs Queensland).

## Working Dogs

Please use Isaac Regional Council's 'Working Dog Application for Exemption' form to apply for an exemption, where eligible.

## Microchipping of Dogs

Microchipping is legally required for all dogs over the age of 12 weeks, as a requirement under the *Animal Management (Cats and Dogs) Act 2008*. Failure to microchip your dog by the required age is an offence under the Act.

## Desexing of Dogs

Desexing your dog is not mandatory in Queensland but comes with many health benefits for your dog. Generally, it's recommended that you desex your dog unless you are planning to breed. There are significant concession fees for desexed dogs, to encourage responsible ownership of dogs and to prevent unwanted breeding. No discount will be given unless proof of desexing is provided.
